ALLEGIANCE HEALTHCARE CORP. GLOBAL EAST REGION

THE ABOVE REFERENCED PRIME VENDOR CONTRACT IS HEREBY REVISED TO INCLUDE THE FOLLOWING:

EMERGENCY BUYS FOR NON-USAGE DATA ITEMS

- 1) Allegiance is not required to accept the order.
- 2) Allegiance personnel will be available for customer placement of these emergency orders 7 days per week/24 hours per day, including holidays.
- 3) Once the order is accepted by Allegiance, there is a guaranteed 48 hour delivery (including non-business days) regardless of the date or time of order placement.
- 4) The customer may be required to pay an additional 5% distribution fee whenever the item is delivered from outside the customer's contractually-designated distribution center. The customer will be advised at time of order placement if the 5% additional fee will be charged. The customer must cut a separate delivery order to make this 5% payment.
- S) No fill-rate will be calculated.
- 6) To expand the provision already in the basic contract: For all types of emergency orders combined (usage and non-usage) the first two emergency orders per month, per ROF, have no additional transportation and handling costs assessed. For the third emergency order per month (combined usage and non-usage types) and beyond, Allegiance may assess a \$125 fee for "transportation and handling." (This is unrelated and independent of the 5% fee identified in number 4, above).
